### BILLING POLICY

**You have 2 payment options:**

1) Prepay for 6 of the 8 weeks of the session – either 6 or 12 classes depending on the clinic.

2) Pay Drop-in rates

**Example:** If the clinic meets 2 times a week for 8 weeks = 16 classes. Your pre-paid package option will pay for 12 of those classes. If your child attends more than 12 classes, we will bill you the discounted rate for the remaining classes.

Buying the prepaid package saves you \$6 per class. There will not be any credits toward future class clinics or refunds given on prepaid packages unless inclement weather prohibits activity. Thank you for your support and cooperation.
